Important Notice Regarding: SAGA Conversion To Medicaid

As of today, the Department of Social Services (DSS) has not received approval from CMS to amend the state plan in order to expand Medicaid to include individuals currently eligible for SAGA.

Until instructed otherwise, General Assistance Behavioral Health Program (GABHP) providers should continue to obtain authorizations and submit claims to Advanced Behavioral Health, Inc.

For the latest updates on the progress of this conversion, please access the GA Conversion to Medicaid link on the DMHAS website at www.ct.gov/dmhas. If you have immediate concerns or questions, please contact Bill Halsey at DMHAS at (860) 418-6747 or via email at William.Halsey@po.state.ct.us.
